What you should know?	CURRENT SITUATION	Ten of Wands	Owl	The ten of wands appears when it is time for us to start working hard. The owl denotes that a great reward is on the way. What we plant we inevitably sew. Now is the time to put your nose to the grindstone if your hoping for a big reward.	It is time to prove that you will work hard to your guides. They need to see that you can push forward to achieve your dreams.
	HIDDEN THINGS	Six of Cups (reversed)	Peacock	You might be stuck in the past unwilling to forgive an move on. It's time to infuse some playfulness into your life. Try looking at your past tormentors with an eye of empathy. The peacock is adept at taking on new experiences without harboring resentment or past pain. It is not an easy path, but it can help us to let go of our pain and start realizing all the lessons we now have to use as life tools moving forward.	Do some solar plexus chakra meditation.
	MESSAGES FROM YOUR GUIDES	Eight of Swords (reversed)	Frog	You guides want you to know you are being too hard on yourself. Lighten up a little you have grown so much. Take a step back and try to remember where you were even a month ago. Release those self-limiting beliefs so your guides can bring you fresh new perspectives. When the frog appears, we might be overworked and in need of nourishment. It's time to delve into self-care. Water can allow us to clean, release and forgive.	Spend some time near water silently noticing your thoughts. Without judgement decide if your beliefs and thoughts are negative or positive. Try to track your self-critic.
	Elemental Suggestions	FIRE: What Steps do I take next?	The Emperess (reversed)	Change is hard. Just the thought of change can keep us in our beds all day or have us jumping from one unrelated task to another. Through the uncomfortability of change comes growth. You can no longer ignore it or sit and have a rest.	There's something you feel is the right path for you, but you are scared of the unknown make a small step towards that path today no matter how uncomfortable.
		AIR: What am I supposed to learn in this current cycle?	Page of Pentacles (reversed)	This cycle is all about learning to trust your guides. You have all the tools within you to trust what they have asked you to do and they will stall all future plans until you listen. It is a time to learn from our failures and grow.	Spend some time in meditation or journaling to discover what steps you can take towards the dream that you have that is inline with what spirit has asked of you
		WATER: What do I need to know about my relationship with my mom?	Five of Pentacles (reversed)	You two have suffered a spiritual loss. You have no faith in each other or in the relationship. This is going to get slowly better if you both can make a respectful effort.	Start out with some lighthearted conversation to rebuild that trust that was lost.
		EARTH: What should I know about my career?	The Star (reversed)	You might be feeling directionless in your career. Everything seems hopeless or out of your reach. There are times you might feel like giving up on having happiness in this area of your life at all.	I would urge you to try to let go of the time table you are hoping for. Remember all things in good time. There might be a very good reason why your career cannot proceed at this time.
